

## Our offer, your future.

Delta Engineering is the European market leader in factory automation for the blow moulding industry. Started as a two-man business in 1992, today the company is working with more than 50 qualified and dedicated employees.

Together we develop a wide range of innovative and efficient quality machines in close cooperation with our customers. In this way we guarantee a stable position on the market and a promising future for our company and our employees. To guarantee our further development, we are looking for a (m/f).

# Internal Sales

## Your devotion

- As a technical commercial adviser you are jointly responsible with external salesmen for the preparation and follow-up of quotations in the presales phase.
- The elaboration of the quotations is done in a project-based manner.
- You create the layouts for the construction of the production line and check the technical specifications.
- You answer customer calls and handle customer orders.
- You take care of communication with the customer as well as between the various departments (external sales; engineering).

## Your talents

- You have a technical background and a master's degree (or equivalent through experience).
- In addition to a good commercial feeling, you have strong persuasiveness.
- You are enthusiastic and have a positive attitude with a good dose of team spirit.
- You have strong written and oral skills in Dutch, French and English. Knowledge of German is an added value.
- You can easily handle IT applications. Knowledge of Autocad is a plus.

## Our offer

- We offer you job security and a varied job within a young, growing company and an enthusiastic team. You work for a financially healthy company with a leading name and a clear vision of the future.
- You can count on continuing education.
- Your salary is in proportion to your profile and experience.
- We offer you a group insurance, hospitalization insurance and meal tickets.

## Your future?

Then we would like to receive your application together with your CV! You can send your application by email to [hr@delta-engineering.be](mailto:hr@delta-engineering.be) or by postal service to the attention of Mr. Glenn Van Nuffel.
